Indo-Japan Symposium on Nanotheranostics (InJaNa 2024)

23rd-25th April 2024

ABOUT THE SYMPOSIUM

The Department of Biosciences and Bioengineering (BSBE) jointly with the Centre for Nanotechnology will be organizing three-day symposium connecting eminent personalities in the field of nanotechnology around the globe on 23rd-25th April 2024. It aims to bring scientists from India and Japan to exhibit the new developments in the field and their contributions in the society.

Who can attend?

UG/PG students, PhD research scholars, and early career researchers from chemistry, pharmaceutical, biomedical, life sciences, and nanotechnology disciplines, faculty members, scientist from R&D institutes, and industry researchers

ORAL/POSTER PRESENTATION

- ❖ Abstract will be considered from registered participants only.
- ❖ Abstract submission ends on **April 09, 2024**
- ❖ There will be a selection committee to review the abstracts based on its scientific merit for oral/poster presentations. The acceptance of abstract for presentations will be intimated to the delegates on or before **April 10, 2024**
- ❖ Students/Research Fellows participating for the Oral Presentation will be given 8 minutes for the presentation and 2 minutes for the discussion.
- ❖ The award will be given to best oral and poster presentations

SYMPOSIUM THEME

1. Nanotheranostics
2. Tissue Engineering
3. Nanomedicine
4. Nano pharmaceuticals
5. Bio-nanotechnology

REGISTRATION

All participants are requested to fill the Google form by using the link below: <https://forms.gle/AjXLZh5dVM9Cdndar7> on or before **April 10, 2024**. Use the same link for abstract submission.

Category	Amount (in INR)
